THE FUN PART:

Your cardiac team can design any sort of informative, educational display to help us all celebrate our love of everything cardiovascular. THE RULES:

1. Take pictures of your team and your creation.
2. Share them! You can share them on our Facebook page, www.facebook.com/OSCTs or by submitting them via email by February 17, 2019 at 11:59 PM.
3. With your submission, include your location, group name, the full names of all the participating RCTs, and a short blurb explaining your submission. Please specify if you do not want the names shared for privacy reasons.
4. **VOTE!!!** Once we reach the deadline and have posted all the photos and stories, voting will begin! You can vote by liking or sharing the group photo of your choice on our Facebook page.
